The New Year at Cornerstone takes us into 3 new series—Nehemiah on Sunday mornings, Colossians in our Small Groups and then there's the Essentials Course for those wanting to explore the Christian faith (see over).

The book of **Nehemiah** shows us the kind of significant impact one individual can have on a nation. Nehemiah served in secular offices, using his position to bring back to the Jews order, stability, and proper focus on God.

God uses all manner of people in all manner of places doing all manner of work. Do you feel you must be "in ministry" in order to serve God? Be encouraged; He is not limited by your vocation. In fact, God has placed you where you are for a purpose. Have this attitude about your work: "Whatever you do in word or deed, do all in the name of the Lord Jesus, giving thanks through Him to God the Father".

### The films

Short films that answer big questions. Beautifully shot and packed full of relevant information. Ideal for anyone who wants to find out what Christianity is all about.

### The book

A short book that is ideal to read on your own or with others or to give away to those who want to find out more about God. The DVD contains all the films and also includes the trailer, the animation and the diagram.

The course will be running at Café 139 on every Monday night in January. Things start at 8 pm and should be over around 9pm. There'll be good coffee, conversations and opportunity for questions. Why not think about inviting someone along?
