A little bit about us . . .

Our aim at Café 139 is to provide a friendly, relaxing venue with refreshing drinks and locally sourced, good food. Our coffee is from Limini Coffee, a speciality roaster in Cleckheaton.

The café doesn't exist to make a profit—our aim is to cover costs so that we can provide a quality service to our customers. We have some paid staff, but the café relies on volunteers who share the same beliefs and values and want to give something back to the local community.

Sometimes, in busy times, you might have to wait a little longer than normal but please patient as all our food and drinks are freshly made and, we hope, worth waiting for!
